47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Dont let big telecom push us around. I chose Sonic.net because they are a local company providing many jobs and their commitment to net neutrality.... I use broadband almost constantly. Sonic.net is the best and provides great service for me and my family. Please let broadband competition flourish.
